April 10, 2020

We understand that many of our members and communities are concerned about the potential impacts of COVID-19 (novel coronavirus). As part of an integrated system, we are fortunate to draw upon the skills and expertise of Intermountain Healthcare as they provide guidance for our communities and other clinical partners. Here’s important information for behavioral health providers and their clients. Questions? Contact your Provider Relations representative at 801-538-5054.

Member Services Phone Hours
Effective March 30, 2020, Member Services phone lines will be Monday-Friday:
- For Commercial/Medicaid/CHIP (800-538-5038): 8:00 am to 5:00 pm
- For Medicare ONLY (855-442-9900): 8:00 am to 8:00 pm
Note that Pharmacy Services (800-442-3129) hours are weekdays, from 7:00 a.m. to 8:00 p.m., and Saturday from 9:00 a.m. to 3:00 p.m. regardless of line of business.

Telehealth Coverage Updates
As COVID-19 continues to spread, we understand that many behavioral health providers are working to see clients virtually through telehealth visits, telephone, or digital consults. To meet this need, SelectHealth added temporary coverage for digital and telephonic services effective for dates of service beginning March 1, 2020.

The following provides an overview of existing telehealth coverage and the interim, temporary codes added effective March 1, 2020. SelectHealth will notify providers in advance when this temporary coverage will no longer be in effect.

Existing SelectHealth Telehealth Coverage
The existing telehealth covered services are as follows (see existing policy online for details):
- Current commercial/CHIP coverage—Synchronous (live audiovisual feed) telehealth visits for evaluation and management as well as behavioral health services for all participating providers
- Current Medicaid coverage—As defined by Utah State Medicaid
- Current Medicare coverage—As defined by CMS

To submit claims:
- Electronically: Use Electronic Data Interchange (EDI) transactions to submit claims; access online guides for using EDI, or contact our EDI team at 800-538-5099 (edi@selecthealth.org).
- Via U.S. Mail:
  Send to P.O. Box 30192 SLC, UT 84130 (for Commercial/Medicaid/CHIP claims); P.O. Box 30196 SLC, UT 84130 (for Medicare claims ONLY).

Location for Behavioral Health Telehealth Services
Regardless of place of service, mental health providers (including those located in a Medical/Mental Health Integration office) can perform services utilizing telehealth for medication management and psychotherapy services.

Coding for Telehealth Coverage
Telehealth services are available as covered benefits for:
- Medication management visits
- Psychotherapy (talk therapy) visits
- Applied behavioral analysis (ABA) treatment
- Day Treatment and Intensive Outpatient services (if offered through HIPPA-compliant video conferencing platforms)*

For commercial plans, the appropriate place of service for all telehealth services is “02.”

For SelectHealth Advantage® (Medicare) and SelectHealth Community Care® (Medicaid) plans, place of service should be coded as if the service was provided in person for the timeframe of COVID-19 only. For specific coding information, review page 2.

*Please bill only the “95” modifier for telehealth services.
## Covered Services Delivered Via Telehealth*

<tr>
<td>90785</td>
<td>Psychiatric complex interactive</td>
<td></td>
</tr>
</tbody>
</table>

* When not using the Place of Service Code “02,” use the appropriate modifier (GT or 95) to indicate telehealth services.  
NOTE: Many provisions for telehealth services are interim measures effective ONLY during the timeframe of the COVID-19 pandemic.
COVID-19 Behavioral Health Update, Continued

**Claims Processing**

SelectHealth understands the importance of efficient claims processing for your business and operations. We are currently processing 95.7% of claims submitted within 15 days and 99.4% within 30 days.

To address the abnormally high claims submissions we are currently experiencing, our staff is working on a mandatory overtime basis to maintain the most responsive turnaround times possible. To help us with this, please remember to verify status of claims your practice has submitted in the Provider Benefit Tool on the SelectHealth Provider Portal rather than submitting duplicate claims. Duplicate claims tend to clog the system and slow payment for everyone.

**Provider Updates Online**

Access copies of all COVID-19 Provider Updates and related resources from either selecthealthphysician.org or the Provider Portal.

**Earlier Prescription Refills (except opioids)**

Members can refill prescriptions when any 30-day medication is 60% finished, **Regular copay/coinsurance is still required.** For patients on Medicare (SelectHealth Advantage), early refills are also an option at their standard copay.

Members should have their pharmacists contact SelectHealth Pharmacy Services with any questions.

**Intermountain Home Delivery** supports members needing maintenance medications delivered to their homes. Intermountain Specialty can deliver specialty medications. Access additional information about home delivery and the specialty pharmacy.
